These two teams are the best teams in Hammond, and a good fast ball game can be expected. Hammond Musicians will be on hand to give a grand concert and a good crowd is expected. To keep the crowd out side the lines, Sunday should be a day for the fans to remember for a long time.

Every cent donated by the spectators will go to Miss Rudolph.

THEY MADE IT HOT FOR FRANK

A riot was very nearly precipitated in the office of Frank Wachowicz an evening ago when the real estate firm bearing the name of the man advertised a brand new bungalow for only \$500 down and the balance as you can. "Only a few minutes walk from the downtown," the advertisement in The Times classified column read, and when the Wachowicz office re-opened after supper it looked like a "bread line" in front of the office. About 40 people showed up and then the fun began.

Mr. Wachowicz says he smelled more \$500 words than he could possibly dream about. They wiped his nose with their hands and jammed them in his chest and not many minutes had elapsed until he started out in search of an atomizer. But nothing doing—they kept poor Frank on the job until about midnight trying to decide whose \$500 he would take. It was with great difficulty that he kept three well known Hammond parties from stripping for action, quarreling among themselves as to who got there first.

Mr. Wachowicz says the little Times ad surely created a sensation and he could have sold two dozen such houses through the ad. "It shows that people are anxious for homes and will get a home of their own, if the terms are so they can meet them."

HARDING PREPARES FOR INDIANANS

Will Give Important Pronouncement Concerning League Next Sat.

BY GEORGE R. HOLMES
STAFF CORRESPONDENT
MARION, O., Aug. 21.—Senator Warren G. Harding's next important pronouncement concerning the league of nations issue—described as the paramount issue of the campaign—will be made one week from today in a front porch speech to a visiting delegation of Indiana republicans.

The nominee will, at this time, it is understood, make full reply to the attacks from democratic sources that the republicans have not sufficiently clarified the league atmosphere.

Some time between now and November, it is believed, the republicans will offer the voters a definite, concrete proposal to substitute for the Wilson league of nations, an association of nations which Senator Harding first mentioned in his speech of acceptance.

It is intimated at Harrison headquarters here that such a plan is now being worked out by a group of notable republicans among whom are listed Elihu Root, now in Europe on peace business, former President William H. Taft, Herbert Hoover and others.

Mr. Root, said Senator Harding, "has been doing notable work in Europe."

No implication of the statement was forthcoming and some of his hearers drew from it that Root would be the chief framer of the republican substitute.

Only routine conferences were scheduled for the senator today. Col. George Harvey, editor and one of the Wilson administration's bitter enemies, was among those scheduled to confer with the candidate.

REPUBLICANS TOOK TIME BY FORELOCK

Party Has Prepared for Months for Drive Among the New Voters.

(TIMES BUREAU AT STATE CAPITAL)
INDIANAPOLIS, IND., Aug. 21.—Enfranchisement of nearly 80,000 women voters in Indiana will not affect the republican campaign plans in the state. Expecting that the suffrage amendment would be ratified before election day, leaders of the party have been preparing for months for an intensive drive among the new voters.

Republican women throughout the state are organized and now are prepared for doing their full share of election work in securing the full registration of the women voters. The women's state organization, under the direction of Miss Dorothy Cunningham, will devote every minute of the time between now and the election in seeing to it that republican doctrine is carried to the women who have not yet formed a party affiliation.

Preliminary reports on polls taken in a number of Indiana counties which

have been returning democratic majorities in past elections indicate that the enfranchisement of women voters is likely to change the political complexion of the counties. These polls have disclosed, according to republican leaders who have visited Indianapolis recently, that a large number of women voters who have been regarded as unattached politically will support the active republican ticket this fall.

Participation of women voters in the balloting this year is likely to result in returns from the election being considerably delayed, according to election experts. It is also pointed out that the women will undoubtedly take considerable time in voting.

It is also pointed out that the women will undoubtedly take considerable time in voting. It is also pointed out that the women will undoubtedly take considerable time in voting.

County Auditor Leo K. Fower of Indianapolis has announced that a special effort will be made to acquaint the Marion county women with the use of voting machines. He has arranged for machines to be placed in convenient places in the home districts of the city where wives and mothers, busy with household cares, will have an opportunity to become expert in the use of the voting device.

In some counties where machines are used it is not believed by the state board of election commissioners that there will be enough machines to take care of the doubled electorate. In such counties it has been suggested that the men vote on machines and women use the Australian ballot.

Montgomery county officials have reported to Durrell Cheney, secretary of the election commissioners, that this plan has been adopted there.

Race Meet Not County Fair Held

"Residents over the county have gained the impression that the big race meet to be held at the county fair grounds at Crown Point next week will be run in connection with a county fair, but this is not so," said Sam B. Woods, while on a visit to Gary this morning.

"I hope this impression can be corrected as there will be no fair in any shape or form. Neither is it being given under the auspices of the Lake County Agricultural Association. That body will have nothing to do with it, with the exception of putting in their attendance."

"When it was decided not to hold a fair this year, some fifty race fans of the county slipped in \$20 apiece, and decided to give one of the biggest race meets ever held on a track and nothing can stop it from being the biggest but rainy weather."

The first horses started arriving yesterday and judging from the big strings of fire race horse fans are going to see some classy events. As an added attraction, officials of the race meet secured the services of an Indianapolis balloonist this week, as some of the boys claimed it would not be complete without a balloon ascension.

It is not the intention of the officials to make any money for themselves and all money over expenses will be divided among the different posts of the American Legion in Lake county. These organizations desire your attendance to make the races a financial success.

THREE SOUGHT FOR PULLMAN ROBBERY

CHICAGO, Aug. 21.—Three men, all accredited with criminal record, are being sought today by authorities in connection with the theft yesterday of a registered mail pouch, containing \$100,000 in cash, from the One Hundred and Eleventh st. station of the Illinois Central station. Eight others are believed to be implicated in the daring theft, while the three named and two others are believed to have committed the actual robbery.

For many months, police say, telephone wires were tapped and money shipment watched at the Pullman Trust Co., to which the money had been consigned.

YANKS VS. PEERLESS A. C.

The East Side Yanks will go to East Chicago Sunday to cross bats with the fast Peerless A. C. The Yanks defeated the Peerless the first of the season 9-6 in six innings.

The line up is as follows: Eberle, 1b; Corrie, 2b; Egan, 3b; Beatty, 3b; Brown, 3b; Weaver, 3b; Patton, 3b; Shoemaker, 3b; while Green will do the hurling for the Yanks.

A good game is expected. The game will be called at 2 p. m. at the Harrison high school stadium.

POSTPONE FIGHTS

Disagreeable weather caused the postponement of the fight card which had been billed for East Chicago this afternoon. The same bouts will be staged next Saturday afternoon.
